

An Initiative of **Sri. M. S. Ramaiah**

Navkis
College of Engineering

Technical Sponsor

In association with

NAVKIS COLLEGE OF ENGINEERING, HASSAN

(Affiliated to VTU, Accredited by NBA(ECE & CSE), Recognized by GoK, Approved by AICTE)

IACIS-2026

3rd IEEE International Conference on Intelligent Algorithms for Computational Intelligence Systems

11-12 | December 2026 | Conference Record #71562 | Presentation Mode : Offline

Chief Patrons

Sri. M. R. Anandram, Chairman, NCEH

Sri. M. A. Navakoti Ram, Vice Chairman, NCEH

Patron

Sri.Viswanath Kumar, CEO, NCEH

Advisor

Dr. Shripad Markande, Dean New Enrollments, NCEH

General Chair

Dr. Sanjay Pande M B, Principal, Professor & Head-CSE,NCEH

General Co-Chair

Dr. D V Manjunatha, Professor & Head, Dept. of ECE, NCEH

Conference Chair

Dr. Sathisha M S, Professor & Head, Dept. of AI & ML, NCEH

Organizing Chair

Dr. Deepak H A, Professor, Dept. of ECE, NCEH

Technical Program Chair

Dr. Sumana Maradithaya, IEEE-CIS Bangalore Section Chair

Dr. Vijaya Kumar B P, IEEE-CIS Bangalore Section, Advisor

Dr. Megha Arakeri, IEEE-CIS Bangalore Section, Vice Chair

Dr. Vinutha M R, Professor & Head, Dept. of AI & DS, NCEH

Technical Program Co-Chair

Dr. Shashidhar R, EXECOM, IEEE B'lore Sec, JSS STU, Mysuru

Publication Chair

Dr. Dinesh H A, Professor & Head, Dept.of CSE, NCEH

Publication Co-Chair

Dr. Arachana N V, Chair, IEEE Mysore Subsection

About Navkis College of Engineering

Navkis College of Engineering (NCEH) is a professionally governed technical institution committed to academic excellence, ethical values, innovation, research orientation, and holistic student development. Established in 2009–10 by the Yagachi Education and Research Trust, and functioning under the patronage of the Navkis Group of Institutions, Bengaluru since 2019–20, the institution draws strength from a strong educational legacy, progressive leadership, and a quality-driven governance framework. The College is approved by AICTE, affiliated to Visvesvaraya Technological University (VTU), Belagavi, and recognized under Section 2(f) of the UGC Act. All academic and administrative processes are carried out in strict compliance with statutory and regulatory requirements. Located in a serene and picturesque campus at Hassan, Navkis College of Engineering provides an intellectually stimulating academic ambience supported by state-of-the-art infrastructure, modern laboratories, ICT-enabled classrooms, robust digital systems, and comprehensive student support facilities.

About IACIS

3rd International Conference on Intelligent Algorithms for Computational Intelligence Systems (IACIS) is intended to provide a common platform for Researchers, Academicians, Scientists, Industrial Practitioners, Engineers, and students in frontline evolutionary challenging fields, to exchange their ideas and findings for technological evolution to benefit society. The conference invites the global researcher community for knowledge sharing, innovation, and technological achievements by submitting articles illustrating projects, experimental works, research results, and industrial experiences describing significant advances within the scope of the conference.

Topics of interest for submission include, but are not limited to

Track I Intelligence Algorithm

Big Data Analytics
Bio -inspired Algorithms
Cognitive Computing
Data Mining and
Pattern Recognition
Evolutionary Optimization
Explainable AI
Fuzzy Logic and Neuro
Fuzzy Systems
Hybrid Intelligent Algorithms
Image and Video Processing
Intelligent Control Systems
Intelligent Robotics
Multi -Agent Systems
Natural Language Processing
Reinforcement Learning
Swarm Intelligence

Track II Computational Intelligence

Computational Intelligence for Internet of Things (IoT)
Computational Intelligence in Healthcare
Decision Support Systems
Evolutionary Computation
Evolutionary Robotics
Intelligent Agents
Intelligent Data Analytics
Knowledge Representation
Machine Learning & Data Mining
Memetic Computing
Multi -objective Optimization
Neural Networks & Deep Learning
Robotics & Autonomous Systems
Smart City Applications
Soft Computing

Track III Sustainable Engineering

Circular Economy Solutions
Clean Air & Water Technologies
Eco -design & Product Development
Energy Efficiency & Conservation
Environmental Impact Management
Green Supply Chain Management
Renewable Energy Systems
Smart Grid & Energy Storage
Social & Economic Sustainability
Sustainable Agriculture
Sustainable Infrastructure
Sustainable Transportation
Sustainable Urban Planning
Sustainable Water Management
Waste -to-Energy Technologies

Paper Submission & Publication

All submissions will undergo a rigorous double-blind peer review process. All the accepted and presented papers in IACIS-2026 will be submitted for possible inclusion in the IEEE Xplore Digital Library.

Registration Fee

Registration fee includes proceedings and participation certificate. Registration fee is not refundable and also does not include accommodation. It is mandatory that at least one author of all accepted papers have to register for the conference to ensure that the paper is included in the proceeding. Only registered authors are allowed to present their papers.

Particulars	Indian IEEE Members	Indian Non-IEEE Members
Student	5000 INR	7000 INR
Research Scholars/ Industry Professionals	6000 INR	8500 INR
Extra page (after 6 pages)	500 INR	500 INR

Particulars	Foreign IEEE Members	Foreign Non-IEEE Members
Graduate Students / Research Scholars / Industry Professionals	120 \$	180 \$
Extra page (after 6 pages)	10 \$	10 \$

Important Dates

Paper Submission Deadline	15 th July 2026
Notification of Acceptance	10 th September, 2026
Registration Deadline	15 th October, 2026
Date of Conference	11 th & 12 th December, 2026
